## ABOUT VENETIAN FESTIVAL

2021 celebrates the 59th anniversary of the Lake Geneva Jaycees Venetian Festival. The five-day Festival runs from August 18th – 22nd and takes place at Flat Iron, Library, and Seminary Parks on picturesque Geneva Lake.

Venetian Festival features a weekend of great family entertainment including a Craft Fair, Carnival, Water ski show, local cuisine including a brat stand and entertainment pavilion. This is all capped off on Sunday with a traditional Venetian Style lighted boat parade followed by the area's largest fireworks display high above Geneva Lake.

The Lake Geneva Jaycees Annual Venetian Festival was founded in 1962. For over a half century, Venetian Festival has been the banner event for the Lake Geneva Jaycees Chapter. It represents the largest fundraiser for the organization and the funds generated go back into the local community!
